

The bed rooms are large enough for bunk beds for crew housing or regular size beds for individuals.

14x70 OIL FIELD HOUSING #2

You can also request built-in, elevated cabinets in the office as well as built in counters / desk tops.

LINO THROUGHOUT

There are four entries into the home along with a privacy door in the hall and another by the front office, leading into the living room.

There are two bathroom plans. One (which is shown) with a bath tub in the front bathroom and a shower in the back and another, with a shower in both bathrooms.
